

"A stunning jewel and oasis in the 16th, almost perfection" Great "equipe" here, everyone, from the front desk staff to the bellboys, stunningly helpful and charming. A special "chapeau" to Joel in the bar and room service department, very elegant manners and truly understands great customer service, going well out of his way to find me a little chocolate cookie, etc. to make me happy... the hotel itself is gorgeous, very quiet, and with a wonderful design. My "room" felt like a proper Haussmanian apartment, all diagonal wood parquet floors, very high ceilings, and a terrific chandelier. Beautiful fittings, all top notch, wonderful spa, beautiful pool, a genuinely swimmable good sized indoor pool, and whatever they are using to keep it clean is very well appreciated as the water felt smooth as silk and no chlorine odour. They also have infrared saunas, my favourite and nice steam room. No complaints at all, except please add a few more items to room service, but then, you're in Paris, and who needs to eat in with the city at your feet? "Chapeau" to the management of this gorgeous place for hiring top notch professionals who have beautiful manners, so important, most important in a fine hotel experience. Oh, also, the bar and entry are stunning, really terrific elegant design with a bit of whimsy. Oh and GREAT beds, what are these mattresses? Thanks Villa Majestic, will definitely be back... "Small Gem at a stones throw of the Champs-Élysées and The Arc" An amazing small, wonderful hotel steps from the Champs Elysée! Wonderful service and beautiful appointed rooms. Our Jr Suite was spacious, with large bathrooms, living room and bedroom. Concierge service spot on; in room continental breakfast very fresh and nice. Best of all, the fitness centre, with state of the art Technogym Equipment, and lovely massage rooms and a wonderful swimming pool!!! A real find, priced one half of the big hotels with the same quality!!! This was our second stay here!!! I referred this hotel to my daughter and son in law, who came with two boys who loved it for the pool, and service, and spacious Jr suite; they set living room up as a second bedroom for her boys!, very accommodating.

We like small pillows so they purchased them for us!!! high quality customer service. I left a bag at CDG, they retrieved it, need I say more wonderful!! (July 4th 2011)

"My new favourite hotel" This hotel has topped the list of best hotels I have ever stayed in. After travelling through Scandinavia for 2 weeks, with tiny rooms, this was a breath of fresh air and blew life into us all. The rooms are big, beautifully decorated and very very comfortable. There is a very functional kitchen also as part of the room. The staff are fantastic, nothing is a bother for them. There is a beautiful pool. And the location is fantastic, close to lots of landmarks, high-end shops and even supermarkets. This hotel is not cheap but worth every dollar. I can not believe such a gem even exists in Paris. I can not wait to go back to Paris just to stay at this beautiful place again. My only criticism is lack of free internet in the rooms. (May 23rd 2011)

"Fabulous Experience...!" When I came in the Villa, I was moving from a cold street near the Champs Elysées, to a welcoming, modern and warm place...

We could appreciate a wide range of the Villa's facilities: indoor swimming-pool, hammam, sauna, fitness centre, nice lounge. We stayed in a deluxe room, around 20 sq with a king size bed, mini bar.... It was very comfortable, there was no noise at all, and we slept very well. And last but not least, the staff is really professional.

I really enjoyed my stay (December 5th 2010, France)

"Exceeded Expectations" My husband and I were on our honeymoon and our flight arrived at 7 am, not knowing if we would be able to check into our hotel we were hesitant about what to do, when we arrived at the hotel, Benoit checked us into our room and we were able to relax after a long flight- it was unexpected and so appreciated. The hotel itself is beautifully decorated, the service excellent, the rooms large and nicely appointed, and the beds were so comfortable! The location of the hotel is ideal for those looking for a quiet street near to the tourist areas. We can't say enough about the wonderful staff and this hotel- thanks for everything!
